FROM THE PREACHER'S DESK

December 4, 2022

It is hard to believe that we are now in the final month of 2022. December is a busy month on multiple fronts here at Kingwood. We are participating in our gift-giving to the families we helped through the school system. Tonight is our annual Supper with Santa where our kids will have an opportunity to visit with Santa and Mrs. Claus. Everyone is invited and I hope that you will join us. This Saturday, December 10, we will host Breakfast with Santa at Northfield Elementary from 9:00 - 11:00 a.m. Earlier this week, we emailed out a sign up link for that event as we need many volunteers. Be sure to let us know what you can do to help make that effort great! We also have a Young at Heart gathering, TLBC gathering, and small group gatherings over the month of December. There is a lot going on and we are a blessed people. I hope that you are involving yourself in as many of these as possible. It's going to be a great close to the year!

Some of you have noticed room 144 has been painted and things are being added to that room. There is a reason for it and an update on it will be given next week as Adam presents our budget for 2023. It is a room that we are using more and more and these updates will help us further enhance its use. Stay tuned for more!

Finally this week, I am looking forward to bringing some lessons this month that will help us celebrate the season of Christmas. I am also looking forward to introducing our new 2023 theme in the coming days and weeks ahead. I don't want to give it away quite yet, but I encourage you to take a look at John 15. Read that chapter and I will have more to say soon!
