## FROM THE PREACHER'S DESK

**September 11, 2022**

Today we continue to march our way through the book of Acts as we look at the early church and how they grew. In our message today, we see the first hint of struggle followed by persecution. This reminds us that the church is filled with human beings and there wasn't a perfect one in existence then, and there isn't today. As we keep marching through the book, be encouraged and strengthened to remember that when the Holy Spirit works in the lives of believers, the church grows.

Many of us remember where we were and what we were doing 21 years ago today as the terrorist attack of 2001 occurred. We witnessed planes fly into buildings and we saw lives turned upside down. It was a reminder that evil exists in the world in which we live. Evil still exists and will continue to do so until Jesus returns. Today, I encourage you to pray for all those affected by that evil act of terror 21 years ago. Also, pray for those who are victims of evil even today. Most importantly, be encouraged that this evil will be held accountable by a mighty God who will judge all of us on that great day of judgment. Finally, be the light of the world that shines brightly into the darkness of evil.

We continue to recruit for our Israel trip coming up June 6-15, 2023. I have brochures at the Welcome Center and I would love to talk to you about this life-changing trip. If you have any questions, be sure to ask. Stop by the Welcome Center today and pick up a brochure!

Finally this week, I want to thank Glenn Garner and his team of volunteers who are doing a great job with our Wednesday night meals. I hope you are taking advantage of this opportunity. Be sure to thank Glenn and his team this week!
