FROM THE PREACHER'S DESK

July 10, 2022

Good morning and welcome to Kingwood! My prayer today is that the worship lifted up in this place glorifies God and encourages each of you that are here. May we always be a people that exalts God, not only when we worship, but each day as we live for Him!

This Wednesday evening, you will be blessed by Chris Barnett from the East Brainerd Church of Christ in Chattanooga. Chris is a great man, gifted speaker, and wonderful servant of Christ. You will indeed be blessed by attending our Summer Series this Wednesday night at 6:30 p.m.!

Tonight's Sunday Night Connect will be a youth-led worship evening in the auditorium. I hope that each of you will come and be a part as our youth leads the worship. Our children and teens are having a great summer. I appreciate Brett and Melissa's work in their ministries and all the volunteers who help make it happen!

NORTHFIELD OPPORTUNITY! We are already planning on a great beginning of the school year with Northfield Elementary. We are helping them be a supply-free school by providing each student a backpack. In addition to that, we will now begin gathering supplies for the school and teachers. We are asking you to bring the following items between now and the start of school: **Clorox wipes, boxes of Kleenex, baby wipes, 3x3 post it notes, and expo dry erase markers.** If you would like to make a donation toward the backpacks, or have someone shop for you, you may give that donation to the Seigenthalers or drop it in the blue lock box by the office. *Be sure to clearly indicate what the donation is for.* There is a display in the back of the auditorium for you to place your donated items in and around. Our goal is to supply them for the year!

Summer continues to roll along and we had another great trip this past week! We took 28 students and adults to Cincinnati for a few days and had an amazing trip. We left on Tuesday and got to Cincinnati late that night. We spent all day on Wednesday at King's Island which is an amusement park and has a water park. The Russels were able to meet us there for the day. It was a great day of fun and relationship building. We ended the day with a fireworks and light show in the park. On Thursday we went to the Ark Encounter and got to see the replica version of the ark that was built a few years ago. It is extremely well done and I definitely recommend it to anyone to go see it. We stayed there for a few hours then made our way home that afternoon. A special thanks to the adults who joined us on this trip and helped make it a great time.

Our summer schedule slows down as we get ready for school to start back in just a few short weeks, but be on the lookout for lots of local hang-out opportunities in the weeks ahead! - Brett
