FROM THE PREACHER'S DESK

September 18, 2022

I have been greatly encouraged by our Wednesday nights here at Kingwood over the last month, and I want to take this time to encourage those that might not be coming to think about joining us for our times of study and fellowship. It has been a month since we began our new format of a study on the book of Colossians at 5:00 p.m., followed by our meal, and then Waypoint (along with our regular classes for children and teens) at 6:30 p.m. We have had more of you engaged in these times over the last 4 weeks and it has been encouraging to see you plugged in. I hope those that have not been able to join us will come and be a part of the time this week. The studies have been good, the meals tasty, and the fellowship sweet. Hope to see you this week!

I was asked why we didn't sing patriotic songs to commemorate 9/11 last week. Maybe some of you have wondered that in the past on other occasions. The truth is that most of those songs, while maybe making a reference to God, really aren't about Him, but rather they are about our country. While I love our country, and am grateful to be living here, we do not gather to worship or sing about our country. We are here for one primary purpose and that is to worship God! As we put worship together each week, we look for songs that articulate our praise of the Father, Son, or Holy Spirit, and their work in our lives. I hope that helps explain our thinking. If you have questions about that, feel free to come and ask.

I want to make a final push, in this space, regarding the involvement surveys for those that have been unable to fill them out thus far. The QR code is on the back of the bulletin and I encourage you to fill this out today! We have had a good number filled out and more and more of you are being plugged into the ministries here at Kingwood!
