**Discussion and Application Questions From The Message: (30 -35 Minutes)**

1. How important is it to have a game plan when looking to achieve a task? Give some examples of when this is helpful.
2. Part of the game plan to defeat Satan is to arm ourselves with the whole armor of God. Read Ephesians 6:10-18.
3. From Ephesians 6, which parts of the armor do you think are defensive and which are offensive?
4. Give some personal examples on when you might use some of the defensive parts of the armor of God.
5. Do the same for the offensive parts of the armor of God.
6. A second part of the game plan is to submit ourselves to God. For you, what does it mean to submit to God? How do you know if you are doing it successfully?
7. A third part of the game plan is to resist Satan. Brainstorm ways to resist Satan. Give some examples of when we resist him.
8. A fourth part of the game plan is to flee temptation, and we used the example of Joseph running away when Potipher's wife grabbed him. How hard is it to simply run, or walk away, when in the middle of a temptation? What makes it difficult to do that at times?
9. The final part of the game plan was to pursue things like righteousness, Godliness, faith, love, endurance, and gentleness. What does the pursuit of those things look like in your opinion? In other words, how do you pursue those?
10. What final advice would you personally give to overcome Satan?
