Hearing Impaired Assisted Device

The WaveCAST Receiver app allows listeners to hear the audio on their personal, Wi-Fi connected devices, such as a mobile phone or Bluetooth enabled hearing aids.

The WaveCAST App can be downloaded from the Google Play Store for Android devices or the Apple App Store for iOS devices. Download the WaveCAST. It is recommended that the app is downloaded in advance. Join the WaveCAST Wi-Fi Network. Once the WaveCAST App is downloaded, join the same Wi-Fi network that the audio is being broadcast over (Kingwood Guest).

Android

iOS

Options for Listening:

- Connect a pair of headphones to the headphone jack on your device.
- Connect a Bluetooth headset or Bluetooth-enabled hearing aids.

If NO SERVERS FOUND is displayed, then make sure you are on the "Kingwood Guest" Wi-Fi network. It should show "Kingwood Hearing System" then just touch that and you are connected to the system.

Set your volume for your hearing aids or hearing device and enjoy the singing and sermon as you have not heard in a while.

FROM THE PREACHER'S DESK

October 23, 2022

We enjoyed a tremendous baby blessing last Sunday and I thank Melissa for her leadership of this opportunity. I congratulate all the families that we honored and continue to pray for you as you lead your families. May God continue to bless you in the coming days and weeks.

As was announced recently, after 13 years of great service to Kingwood, Kelley is stepping away from her position so that she can take care of her sweet new grand baby. While we will miss her terribly, I am happy to announce this morning that Melanie Gardner has been hired to fill the ministry assistant role here at Kingwood! Melanie will begin training later this week and will begin full time on Monday, November 7th. We look forward to welcoming Melanie on staff!

It's hard to believe we are already reaching the end of October. As we reach this timeframe, that means that Trunk of Treats is now a week away and our projects for Thanksgiving and Christmas are about to begin. There is information about the Thanksgiving project in the bulletin this week. Check out Melissa's information in the bulletin this week for Trunk of Treats and be making your plans to join us for all of these great opportunities through the rest of the year. It is an exciting time.

Finally this week, our outreach ministry committee met last Sunday to discuss ways that we can keep expanding our outreach to the community. While we discussed a couple of new things to do, much of our attention was given to enhancing our current opportunities like the food pantry, Safe Haven, Northfield Elementary, the prison ministry, Candle Wishes, and the like. Please be praying for ways to continue more dialogue with those we come into contact with through all of our outreach efforts.
