## FROM THE PREACHER'S DESK

**July 3, 2022**

Just about 10 days ago the United States Supreme Court overturned Row V Wade which sends the abortion decisions back to the states. As a pro-life Christian, I am thankful for this decision and I pray for the leaders of each state as they now wrestle with the issue. The Bible, while not speaking about abortion (mainly because the Jews never practiced it), certainly defends life and clearly teaches when life begins. With this in mind, for those of us who agree with and celebrate this decision, let us also be mindful of those that disagree for whatever reasons and let's remember how divisive this issue is. We have a great opportunity to minister to those who disagree. I am cautious how I celebrate the decision because I want to keep the lines of communication open with those who disagree with it. Let's keep shining the light of Jesus to those around us.

**NORTHFIELD OPPORTUNITY!** It's hard to believe that we are now in July, which means school is right around the corner. We are already planning on a great beginning of the school year with Northfield Elementary. We are helping them be a supply free school by providing each student a backpack. In addition to that, we will now begin gathering supplies for the school and teachers. We are asking you to bring the following items between now and the start of school: **Clorox wipes, boxes of Kleenex, baby wipes, 3x3 post it notes, expo dry erase markers.** If you would like to make a donation toward the backpacks, or have someone shop for you, you may give those donations to the Seigenthalers or drop it in the blue lock box by the office. *Be sure to clearly indicate what the donation is for.* There will be a display in the back of the auditorium for you to place your donated items in and around. Feel free to bring these in starting this week. Our goal is to supply them for the year!
