FROM THE PREACHER'S DESK

March 12, 2023

One of the highlights of early spring last year was our Friends and Family Day that culminated in an afternoon at Siegel Park with food, fellowship, and fun. Well, it is time to mark those calendars again for Sunday, April 16, as we will once again host another Friends and Family Day and we will once again enjoy time at the park following bible classes. There will be much more information coming in the days and weeks ahead but go ahead and be planning to invite people to join us for worship, classes, and the fun at the park that will follow.

A huge thanks to William Burke and his crew for hosting the Prison Ministry's Re-Entry Simulator yesterday here at Kingwood. The Prison Ministry is such a vital ministry and I appreciate William and his leadership of it on behalf of Kingwood. I look forward to the ministry's continuing work that is so vital in many ways.

As you can see, if you look around the building, much of the work is done from our flooding in late December. We are still waiting on some carpet for the offices, some baseboards for hallways, and ceiling tiles to arrive and be put in. The carpet for over half of the office areas will take a few more weeks to arrive, so the staff is still spread out to some degree. This week, we were able to open the outer office area and Melanie and Amy are now back in the main office. So if you need to stop by the office, please come to the south entrance as normal.
