## FROM THE PREACHER'S DESK

**July 30, 2023**

Once again last Sunday evening, our singing night was incredible. We sang some older classics as well as some newer contemporary songs and great comments were made by many. Thank you to each leader that took part and for all those who joined with their voices. Based on several comments, we will attempt to do this a little more often in the future and not just wait for summer. Thanks again to all those who took part!

The Danny Holmes Story: A Story of Redemption is just around the corner on Sunday, August 13. We will begin that night at 5:00 p.m. and I hope that you are inviting some folks to join you. To help you do that, don't forget that there are postcards out at the Welcome Center to give to folks as you have a chance. This is a great opportunity to introduce the Gospel to a lost friend, family member, neighbor, co-worker, and others. Josh Crain will highlight a powerful story and I hope you will be a part of it and bring plenty of folks with you!

Tonight's Sunday Night Connect will begin here at the building at 5:00 p.m. and then we will go over to Northfield Elementary and MTCS for a prayer walk. This will be a time of prayer down each hallway with the purpose of praying for the administration, teachers, staff, students, and families, as they get ready to begin their school year. We will send groups down each hallway so if you're concerned about too much walking, you can certainly stay in one area of the school. Join us tonight at 5:00 pm. for organization and directions and then head over to one of the schools with us.
