## FROM THE PREACHER'S DESK

### October 8, 2023

We begin our first four-week intensive classes this morning and I hope that each of you will take the time to invest in one of these four-week journeys. David Vaughn, with some assistance from his education team, has worked very hard to line these offerings up and I know that you will be blessed by the one you choose. I love this format that has been put into place. I think it is a great idea, once a quarter, to offer these brief classes designed for specific reasons. Take a look at the offerings this morning and join us in one of these intensives. I think you will be glad that you did!

I want to thank Brett for preaching last week. As always, he did a great job. It is such a blessing to me to have guys that can step right in and continue the series of lessons that I am preaching. Honestly, at other places when the preacher is gone, a series pauses. For continuity sake, it is a blessing to be able to keep it going while away. Thanks Brett, you did well! I also want to thank David for teaching for me two Wednesdays in a row! The first was on the spur of the moment as I have been struggling with some vertigo, something I had never dealt with before. The second was a planned absence for fall break. David stepped in both weeks and continued our study of Hebrews as well as the study of John in Waypoint. David always does a good job and I am very appreciative. In my opinion, we have a tremendous staff here at Kingwood and I am so blessed to be a small part of it. I thank God for this church, our leadership, and our staff. The staff gets along well and is a blessing in my life.
