FROM THE PREACHER'S DESK

October 9, 2022

Susie and I had a great time as we were out of town last week, but as always, we missed home and being with you. I am glad to be back and want to thank David for preaching through Acts 8 last week. As he always does, David did a great job in presenting the text and also giving us something to think about. I can never stress enough how nice it is to be away knowing that the pulpit is in good hands, and it always is with David or Brett speaking. Today, we dig into Acts 9 and look at a conversion that changed history and continues to do so even today. I look forward to looking deep into the conversion of Saul, who would later become Paul.

Today is the final day to submit your nominations for deacons. Once again, the QR code and link for the form is on the back of the bulletin this week. I hope that you have prayerfully considered who to nominate and that you will send those in today if you have not done so already. Please be in prayer as the elders look through these and make decisions on who they will ask to serve. Thank you for your submissions and your involvement in this very important process.

Finally this week, it is hard to believe that we are just weeks away from the holiday season being upon us. The following is our schedule for the Thanksgiving and Christmas seasons. On Sunday of Thanksgiving week, we will be bringing in our food to make our baskets for families in our community. We will once again work with families in our schools for both Thanksgiving and Christmas. We look forward to this service on November 20. We then will have NO mid-week meal or classes Thanksgiving week. On Christmas and New Year's Day, we will ONLY have worship and we will move the time to 10:00 a.m. There will be no Bible classes either day. Finally, there will be NO mid-week meal or classes the week between Christmas and New Year's Day.
