## FROM THE PREACHER'S DESK

**March 5, 2023**

A huge thank you to Melanie Gardner and all who assisted, bought presents, served in various ways, and anything else you did to enable us to give a birthday party yesterday to the kids being served by Candle Wishes. We have done this for several years now and I know that those kids and their families all appreciate what we are able to provide. Melanie does an incredible job with the organization of this effort and so many of you step up to serve. Thanks for a job well done!

Speaking of chances to serve, the prison re-entry simulator is this Saturday here at Kingwood, and William Burke has been hard at work putting this together. If you have questions, or an interest to attend or serve as a volunteer, be sure to see William today! This is just another way that Kingwood can be involved in outreach and as a service to our community.

Continuing to highlight opportunities to serve, the efforts at Northfield Elementary continue as we are collecting certain items that they need. We also have a faithful team of volunteers who go over and help in classroom settings, especially in the area of reading to the students. Someone asked me recently about my work with Kingwood. They asked if I enjoyed being here and why. It was an easy answer! I love serving here because you are a group of people who love each other and those in our community. You serve! Thank you for being you! Keep pressing on!
