**Discussion and Application Questions From The Message: (30 -35 Minutes)**

1. Read Matthew 26:17-30.
2. With the Lord's Supper being instituted in the upper room, just hours from the arrest of Jesus, discuss what might have been in the minds of those there. Discuss what you think the emotions were that Jesus was dealing with.
3. What do you think Jesus, and Judas, felt as Jesus was indicating it would be Judas that betrayed Him?
4. To you, why is communion important?
5. One reason we participate in communion is to remember. What works for you as you try to remember while taking communion?
6. Taking the communion weekly, as our example in Scripture indicates, comes with the risk of it becoming a habit and something we check off the list. What are some ways that you might suggest to help us stay focused during communion?
7. Read Acts 20:7. It seems a primary focus on gathering on the first day of the week was to take communion. What does this indicate about the importance of it?
8. I Corinthians 10:16-17 teaches that taking the bread and the cup is a participation in the body and blood of Jesus. What does that mean to you and how does that motivate you to take it weekly?

**Prayer Time**

**Spend some time tonight praying for each other and whatever needs you, and the group, may have.**
