FROM THE PREACHER'S DESK

November 20, 2022

Happy Thanksgiving! Well, of course it's not until Thursday but today we worship with thanksgiving, and have the opportunity to bless others this Thursday with the food baskets we have been working on. During our service today, our children and teens will bring the food forward as we pray over each basket and family receiving it. We will also enjoy a Children's moment where we hear from them about some things they are thankful for. Brett, David, and I will all share some words about living gratefully 24 hours a day, 7 days a week, and 365 days a year. We will be basically focusing on having a heart of thanksgiving. Our songs will be geared toward being thankful as well. It is going to be a great day. I am glad that each of you are with us and I look forward to our worship!

Don't forget that we will not be having a mid-week assembly or meal this week due to Thanksgiving. Most of us will be gathering with family this week and I hope that you are looking forward to this time together. It has been a challenging 7-8 months for our family and I am looking forward to spending time with some of them this week. I hope you have a blessed day and week.

Next week, I will bring one more lesson from the book of Acts and then, in December, turn to some things focusing on the arrival of Jesus. This will also help launch us into the 2023 preaching theme which I will tell you about soon. I've enjoyed marching through Acts and I hope you have gained some wisdom and insight from our look into the early church.

This past weekend was our annual Fall Retreat! We had a tremendous time with over 60 students and adults attending. I'm so thankful to everyone who came and made our weekend awesome. Our students brought incredible attitudes and really opened up to the Holy Spirit throughout the weekend. Our adults were terrific chaperones who stepped in and helped with anything that was needed and spent time mentoring students throughout the weekend. Retreats are always one of our students' favorite events of the year and this was one of our best retreats ever!
