FROM THE PREACHER'S DESK

January 9, 2022

What a great Sunday we had last week as we kicked off the new year with an introductory lesson on our 2022 theme, "We Are The Body," followed by a brunch that was absolutely incredible! A huge thank you to Glenn Garner and his amazing team of volunteers for a job well done. The food was excellent, the choices abundant, and the spirit of the day was even better. To all who made it a great success, thank you so much. It was a great way to start the new year!

Brett and Melissa have been at the National Conference of Youth Ministries this week as Brett participated in the student ministry track and Melissa in the children's ministry track. I am grateful they had the opportunity to get away and be spiritually fed and I am grateful to our elders for making this a priority for each of us. Many of these opportunities have been cancelled due to Covid. I am hoping that these will return to normal in 2022.

As we begin this year, the elders have reminded us of our Covid protocols in hopes that we can be safe and feel comfortable being here as a family. We will continue to offer a mask only section in the right side of the balcony as well as having extra hand sanitizers throughout the building and serving communion in individual packets. As always, if you are sick, please stay home and worship online. We have learned to live with this virus over the last two years and we are grateful that while we have had many in our number get the virus, we have no cases linked to being together as the Body of Christ. We pray that continues to be the case as we try to live out what God is calling us to do.

This week Melissa and I were blessed to attend NCYM which is a conference for youth and children's ministers. It was such a great week to be renewed and challenged by great teaching. It was also a great opportunity to renew some relationships with friends I have not seen in a while. I'm so thankful that Kingwood supports its ministers and allows us to take opportunities like this to continue our education and to be renewed each year! I'm looking forward to this year of ministry at Kingwood and already excited to be blessed at NCYM 2023. Thank you Kingwood for being such a loving and encouraging church family. We love you!

I am currently taking resumes for a male and female summer intern for our student ministry. If you know of any good candidates please pass along their contact information to me or have them email me their resume at kingwoodstudents@gmail.com. I have had two volunteers to host our summer interns! Thank you to all those who reached out and especially to our two host homes.

If you have not gotten a spring (January-April) family calendar with events for our students and kids make sure to pick one up today! You can find extras in the teen room or at the child check-in counter. We have big plans for 2022 so make sure to get one of those calendars. If you have any questions about any of our events please let me or Melissa know!

Sign-ups are now active on the KSM website (kingwoodcoc.org/ksm) for Winterfest and our Spring Retreat.
