FROM THE PREACHER'S DESK

September 10, 2023

This weekend we have some Kingwood folks at the annual Church of Christ camping trip to Henry Horton State Park. This event has happened for several years now and it is a great time of fellowship and fun. Pray for their weekend.

Next summer, July 10-17, I will be going with Brett and the Student Ministry to Tegucigalpa, Honduras, to work with the Breaking Chains Ministry that I have been privileged to serve on the Board of Directors for over ten years now. This is a ministry that is dear to my heart, and some of our church members were able to go there this past January and do some much needed work. I look forward to going with this group next summer. Airline tickets have been put on hold and there are a few spots left. This trip is primarily for our teen students, college students, and their families. If you want more information, please see me or Brett soon. I solicit your prayers as we begin to plan for this great journey next summer.

Our Children's and Student Ministries recently put out a calendar of events for the fall. Brett and Melissa are doing a great job leading these two ministries, and they have a busy fall planned for our children and students. Join me in praying for both of those ministries, and let me encourage all of our families to plug in and be involved. Recently, Melissa led our children through the opportunity to serve in the food pantry. I know the leaders of that ministry appreciated the effort and I am thankful for those families that participated, as well as Melissa's leadership of the opportunity. Keep praying for these two great ministries!
