FROM THE PREACHER'S DESK

July 17, 2022

Tonight's Sunday Night Connect will be a night of prayer in the fellowship hall. Prayer is such a vital part of who we are and what we are suppose to do. Tonight's time will be a focused time of prayer that leads us to the throne of God. Join us tonight at 5:00 p.m.

This Wednesday's Night Summer Series speaker really needs no introduction. Walt Leaver, from Brentwood Hills Church of Christ and Lipscomb University, will be with us and I know we will be blessed by his teachings. Walt is one of the guys we try to have yearly as we get so many requests for him to come back. I am excited to hear from him this week and I hope you are too!

I hope you will stick around for Bible class this morning. This time is a great way to not only study scripture, but to build relationships in the process. If you're not in the habit of staying, please stay and enjoy this time today!

NORTHFIELD OPPORTUNITY! We are already planning on a great beginning of the school year with Northfield Elementary. We are helping them be a supply free school by providing each student a backpack. In addition to that, we will now begin gathering supplies for the school and teachers. We are asking you to bring the following items between now and the start of school: **Clorox wipes, boxes of Kleenex, baby wipes, 3x3 post it notes, expo dry erase markers.** If you would like to make a donation toward the backpacks, or have someone shop for you, you may give those donations to the Seigenthalers or drop it in the blue lock box by the office. *Be sure to clearly indicate what the donation is for.* There is a display in the back of the auditorium for you to place your donated items in and around. Our goal is to supply them for the year!

It was another great week for our student ministry. Our interns were able to have guys/girls nights on Tuesday night and I know all of our students had a blast! I'm so thankful God brought Jobin and Abby to us this summer and they continue to do an excellent job! On Wednesday night we started a series called Guiding Light where we focus in on the Holy Spirit's power in our lives. The Holy Spirit is something that can be pretty complicated for us to understand and I'm really excited to spend a few weeks discussing it with our students. Then on Thursday, we ate together at BlueCoast and then went to see the movie Minions. Today, following Bible class, there will be a group of Children's Ministry and Student Ministry families going to watch a Nashville Sounds game. The summer is always such a busy time for us, but seeing all the friendships created and strengthened makes it all worth the time and effort!
