## FROM THE PREACHER'S DESK

**March 19, 2023**

One of the highlights of early spring last year was our Friends and Family Day that culminated in an afternoon at Siegel Park with food, fellowship, and fun. Well, it is time to mark those calendars again for Sunday, April 16, as we will once again host another Friends and Family Day and we will once again enjoy time at the park following Bible classes. There will be much more information coming in the days and weeks ahead but go ahead and be planning to invite people to join us for worship, classes, and the fun at the park that will follow.

I am so thankful for our safety and security team here at Kingwood. Whenever a medical emergency arises, or any other safety issue, this team springs into action and does an incredible job. God has blessed us with incredible people to serve on this team and I thank each of them for their willingness to serve and their quick reaction to whatever comes up from time to time.

There are just a few things left until the repairs are complete around the building. This was a massive undertaking but things have come together smoothly, all things considered. Currently, we are still waiting on carpet for over half of the offices. We may still be some time away for that to come in. Otherwise, ceiling tiles and wall baseboards are all that is left and that work should be complete very soon. Thanks for your patience throughout this process!
