## FROM THE PREACHER'S DESK

**January 16, 2022**

Good morning and welcome to Kingwood. I hope that you have had a good week and that you are ready to worship as a family today. We were scheduled for a youth-led worship this morning, but we have moved this service to February since Brett is coming out of a case of Covid. We will communicate that date to you as soon as it is finalized. On another note, join me in prayer this week as a few of our men are in Honduras serving at Mission Lazarus. They will be working on the Mission Lazarus school which hopes to open in February, when school begins in Honduras. Pray for their safety as they are away from us, as well as their efforts to impact the people of southern Honduras. They will be home Saturday.

It seems everywhere I turn recently, someone I know is struggling with sickness and disease. Whether it is Covid, cancer, or other issues, I ask that you join me in prayer for those that you are familiar with that might be struggling physically. Our human struggles remind me that we are only temporary residents on planet earth. God did not create us with the intention to be here forever. He created us to serve Him, love one another, seek and save the lost, and then spend eternity with Him in a place where there is never going to be sickness, disease, immorality, or anything evil. I, for one, long for that place. While I want to serve while I am here, I know where our true citizenship lies and I long for this place Jesus is creating so that we won't have to experience all the pitfalls of this broken world in which we live. So why do I say this and remind you of this today? I say it too simply encourage you to keep on keeping on! God has a plan for us that is far better than what we experience here and we will, at some point, experience a life that is blessed beyond our imagination. In the meantime, keep loving and serving!
