The WaveCAST App can be downloaded from the Google Play Store for Android devices or the Apple App Store for iOS devices. Download the WaveCAST. It is recommended that the app is downloaded in advance. Join the WaveCAST Wi-Fi Network. FROM THE PREACHER'S DESK

October 30, 2022

Good morning and welcome to Kingwood! It is going to be a great day of worship, study, and fellowship. We begin our day with our time of worship, followed by our Bible classes for all ages. We end our day with our annual Trunk of Treats event here at the building at 5:00 p.m. I hope that you have not only signed up to attend this evening, but that you are also going to decorate a trunk. We expect many visitors from the community so we want to make sure we have plenty of trunks. Please read Melissa's area of the bulletin this week for further details. By the way, rumor has it that some very "SPECIAL GUESTS" will be making an appearance. Come to find out who!

After 13 years of great service to Kingwood, Kelley Fox begins her final week with us in the administrative assistant role. During my 7 years here, it has been an honor and a true joy to work with her. Jim and Kelley have become good friends and I am going to miss working with Kelley on a daily basis. With that said, I am also excited for her to be able to stay at home and care for her precious grandson. I know that will be a blessing for Kelley, as well as for Alex and Anna. Be sure to take a moment today to express your appreciation to her for all the work that she has done. She will be missed.

With Kelley's departure, we announced in the bulletin last Sunday that Melanie Gardner would begin in a ministry assistant role beginning Monday, November 6. Melanie actually began training late this past week and will be here some this week to continue to train. She will begin full time work in a week. We are excited about Melanie joining us and look forward to what the future holds.

Finally, Tuesday, November 1 begins my 8th year here at Kingwood. Thank you for loving us and supporting us. I can't wait to see what God keeps doing here at Kingwood!
